the Rose&White
wedding
experience

a perfect wedding...

...is all about the little details.

Your perfect day is just around the corner and if you are reading this, you are probably thinking about the Groom and how he will look.

The Rose&White Wedding Experience is here to help

My name is Harold Rose and I have been creating bespoke wedding suits for Grooms, Fathers-of-the-Bride and Best Men for as long as I can remember. If I have learnt one thing over the years, it's the importance of creating a collection of suits and shirts with the little details that match the theme or colour scheme of your wedding.

all the style,
none of the stress.

The Rose&White Wedding Experience was created specially for couples who want every detail of their wedding day to be just right.

Because **Rose&White** suits and shirts are made-to-measure I can promise to make even the most oddly shaped men look like a million dollars on your big day.

You can pick from thousands of fabrics, colours, styles and finishing details to create the perfect wedding suit with the perfect fit.

we have 100's of
colours and can
match fabric to any
samples that you
may have...

make it personal.

You are going to great lengths to make your special day unique to you, so it makes sense that your suits are equally unique.

Not only can you select from a wide range of fabrics and styles, we can match your linings and garment stitching to the colours of your wedding theme.

Almost anything is possible, even down to a pocket for the best man to keep the rings in, and a second pocket to keep a pen for signing the register.

the experience.

So how does the **Rose&White** Wedding Experience work?

You may be thinking about producing more than one suit for your wedding day, perhaps the Best Man (or men) and the Fathers of The Bride and Groom.

We arrange a suitable date to gather everyone together in one location for a fitting.

We will then discuss all the details of your wedding ranging from colour schemes, time of year, styles and even a personalised monogram in the lining of the suits to commemorate your special day.

Once the suits are ready, we reconvene for a fitting to ensure all is well with your new garments.

testimonials.

I was really nervous and worried about how my wedding suit would turn out. But 'wow' you have exceeded even my wildest expectations, it is just what I wanted 'perfect'.

Manni Singh, Bradford

I ordered three suits for my wedding from Rose&White, one for myself and one each for my two best men! We were shown loads of fabric options and had the opportunity to create a suit exactly to our specifications complete with monogrammed initials and date in the lining.

I would definitely recommend MasterTailor. The visiting tailor was knowledgeable, the suit fits perfectly and I now wear it for special occasions.

Chris, Leeds

On our wedding day we just wanted everything to be perfect, from my dress, to the flowers and my fiancé's suit. I contacted MasterTailor UK and they instantly made me and my fiancé feel comfortable and confident we would be getting the perfect suit. It was great for Andy, as the experience of being measured and choosing a suit was really enjoyable.

I cannot recommend Rose&White highly enough. It made us both feel so special on the day, and Andy looked so good he almost upstaged me in my dress!.
